

**Barbara Eyman, JD**

General Counsel, America's Essential Hospitals

Principal, Eyman Associates

Eyman has represented America's Essential Hospitals for more than 20 years. In that capacity, she has advocated on behalf of essential hospitals before Congress and federal agencies, and has developed legislation, regulations, and other policy proposals and positions to achieve the association's advocacy goals. Eyman also represents hospitals and health systems, academic medical centers, physician group practices, trade associations, states, and other clients on health care law and policy matters. Her practice focuses on Medicaid, Medicare, the Children's Health Insurance Program, and the development and implementation of programs under the Affordable Care Act — including Medicaid expansion options and safety-net provider issues related to health care marketplaces. Additionally, she has assisted provider clients in developing Medicaid funding programs. Her other Medicaid work has focused on delivery system reform, including waiver-based Delivery System Reform Improvement Pools.
