

Leadership for Safety

A Workshop for CEOs, Board Members, and C-Suite Leaders

May 8, 2014

Embassy Suites Dallas Market Center | Dallas, TX

Program Schedule

9:00-10:45

See the Problem: Your Safety Work in Context

Discussion of the prevalence and cost of harm in human and financial terms. Overview of data display methods that have led to substantial reductions in harm.

10:45-11:00

Morning Break

11:00-12:30

Own the Problem: Leaders Are Responsible for Everything, Especially What Goes Wrong

Participants will learn key leadership practices for reducing harm and understand the legal and regulatory pressures on boards and executives to take ownership of safety.

12:30-2:00

Lunch Break

This workshop is supported by the Centers for Medicare & Medicaid Services and the Partnership for Patients. Food and beverage cannot be provided. The hotel has one onsite restaurant and several dining options are nearby.

2:00-3:00

Going Transparent

Improve the effectiveness of your own personal safety leadership and the overall leadership system through transparency of data and conversation.

3:00-3:15

Afternoon Break

3:15 - 4:30

Improvements in Action

Continued discussion of improvement methods that improve the effectiveness of leadership and comprehensive safety measurement and monitoring systems.

4:30 - 5:00

Report Out and Wrap Up

Participants from each hospital report out on their action plans.
