

VITAL2015

Connect. Inspire. Lead.

Thursday, June 25

2:15-2:45 pm

Mini-Session

Track: Q&PS

Innovations That Drive Performance Improvement

As health care delivery continues to evolve, essential hospitals will play an increasingly pivotal role. Join expert staff from UHC to discuss current trends and innovative technologies supporting patient care and fueling performance improvement.

This session will examine high-performing organizations, including The University of Chicago and UW Medicine, and discuss their approaches and experiences with innovative technologies.

Julie Cereese, MSN, RN, Senior Vice President, Performance Improvement, UHC

Audience: CEOs, chief information officers, chief medical officers, chief nursing officers, chief operating officers, chief quality officers, directors of performance improvement

Del Mar,
Lobby Level

>> Speakers, please use this approved session content sheet as a blueprint for developing your session, as the above text has been approved by our internal communications team and will be printed in/on all official VITAL2015 collateral. If *anything* is incorrect about your listing, please contact [Alana Mallory](#) no later than **Monday, May 8** to request edits. Due to internal printing deadlines, requests submitted after that date may not be able to be honored. Thank you for your cooperation! | Need the **VITAL2015 PowerPoint template?** [Click here](#) to download it again.
