Matthew Sanger

Director of Administration and Corporate Affairs
UK HealthCare

Matthew Sanger serves as the Director of Administration and Corporate Affairs for the University of Kentucky's academic medical enterprise, UK HealthCare. In his role, Sanger led the strategic approach to prepare the organization for the implementation of the Commonwealth's health benefit exchange, to include identifying key metrics used to measure its impact. Sanger also serves as executive director for Beyond Blue Corporation, a non-profit corporation, where he is responsible for coordinating and developing operational activities for UK's health care programs conducted outside of the state.

Prior to joining UK HealthCare in November 2012, Sanger worked for more than 19 years in the health plan and third party administration industry. Most recently, he served as a health plan Chief Operating Officer.

A native of Maine, Sanger graduated with a bachelor's degree in economics from Eastern Connecticut State University.
