Additional Resources from IHI: Descriptions for Virtual Programs		
IHI Open School	<p>With a one year subscriptions to the IHI Open School individuals are able to participate in on-demand online trainings led by distinguished IHI Faculty covering fundamental IHI curriculum. The IHI Open school offerings continuing education credits for those completing learning modules. The IHI Open School website offers more information about the curriculum and examples of how organizations/groups are leveraging this resource to support their own unique leadership and workforce development needs.</p> <p>The year-long, individual subscriptions are available through the KP-IHI Endowment for only \$45 per year. Subscriptions are active for one year from the date of registration. If a group subscription is purchased, all members of the group have the same end date (one year from start date).</p>	IHI Open School Web Link
On Demand Courses	IHI offers free and low-cost online courses that are available to take at your convenience.	Web Link to IHI On Demand Courses
WIHI	It's free, it's timely, and it's designed to help dedicated legions of health care improvers worldwide keep up with some of the freshest and most robust thinking and strategies for improving patient care.	Web Link to WIHI
Author in the Room	IHI has partnered with JAMA to facilitate the transition of science into practice through the series Author in the Room®. The author of a study published in JAMA with the potential to change clinical practice will talk with clinicians during a conference call, facilitated by clinical experts in implementing changes in practice.	Web Link to Author in the Room
Web&ACTION	Web&ACTION combines intensive learning in a series of expert-led web-based session with Action Periods during which participants put that learning into practice in a series of detailed assignments. Each Web&ACTION consists of 1) Webinars: In a series of intensive, interactive, expert-guided web-based sessions, participants learn the basics and are guided through all essential learning and materials. 2) Action Periods: Each webinar is followed by an Action Period during which participating teams carry out a detailed, front-line assignment designed to put the learning from that webinar into practice. Participants submit the results of their Action Period assignment to the faculty prior to the next webinar. Sessions are recorded and available for listening after the live session or for those who enroll after the program begins.	Web Link to Web&Action
Expedition	<p>Expeditions are two- to four-month, interactive, web-based programs. IHI will launch one Expedition per month (on average). Expeditions are part of the IHI Passport virtual improvement network but are open to the public.</p> <p>Sessions are recorded and available for listening after the live session or for those who enroll after the program begins.</p>	Web Link to Expeditions Web Link to IHI Passport
