## Ben Quintana

OD Program Manager  
*St. Luke's Health System*

Ben works as the Organizational Development (OD) Program Manager for Leadership Development at St. Luke's Health System – Idaho's largest health care provider and largest private employer – where he leads the development and execution of the organization's leadership development strategy.

As a member of the OD team, Ben delivers strategies, programs, processes, policies and resources to ensure that St. Luke's Health System has an abundant supply of highly effective leaders at all levels. He also provides strategic consulting as well as hands-on leadership to key strategic talent and leadership projects and initiatives.

Ben received his B.A. in Communication from Boise State University and his M.A. in Organizational Leadership from George Fox University.
