

Nancy Gaden, DNP, RN

Senior Vice President and Chief Nursing Officer
Boston Medical Center

Gaden joined Boston Medical Center (BMC) in early 2014. Before joining BMC, she served as system vice president of patient care services and chief nursing officer at Hallmark Health System. Under her leadership, Hallmark Health received magnet designation from the American Nurses Credentialing Center. Prior to her tenure at Hallmark, Gaden served in senior patient care services and chief nursing officer roles at several hospitals in the Boston area including St. Elizabeth's Medical Center, South Shore Hospital, and Milton Hospital. She holds a bachelor's degree in nursing from the University of Rochester, a master's degree in nursing from Boston College, and a doctorate in nursing practice from Regis College.
