

**Aaron J. Byzak, MBA**

Director, Government and Community Affairs  
University of California (UC) San Diego Health System

Byzak handles all legislative and community relations activities for UC San Diego Health System, UC San Diego School of Medicine, and the Skaggs School of Pharmacy and Pharmaceutical Sciences at UC San Diego. He is also interim director of patient experience and guest relations, ensuring the highest-quality experience for hundreds of thousands of patient visits annually at one of the nation's top academic health systems.

Previously Byzak worked as an advisor on policy and political matters for elected officials at state and local levels, and as an emergency medical technician. He earned a bachelor's degree in social science from Chapman University and a master of business administration degree in health care management and policy from the University of California Irvine's Paul Merage School of Business.
