

AMERICA'S
ESSENTIAL
HOSPITALS

Carolyn Gould, MD, MSCR

CDR, United States Public Health Service
Division of Healthcare Quality Promotion
Centers for Disease Control and Prevention

Dr. Carolyn Gould is an Infectious Diseases physician and Medical Epidemiologist in the Division of Healthcare Quality Promotion at the Centers for Disease Control and Prevention. After joining the faculty at Emory University in 2003, she served as Associate Hospital Epidemiologist and Co-Director of the Antimicrobial Management Program at Emory Midtown Hospital. She joined the CDC and U.S. Public Health Service in December 2006. She is the primary author of the updated 2009 CDC/HICPAC Guideline for Prevention of Catheter-associated Urinary Tract Infections (CAUTI) and is involved in national CAUTI and *C. difficile* infection prevention initiatives.
