

## AMERICA'S ESSENTIAL HOSPITALS

*America's Essential Hospitals represents more than 200 hospitals and health systems that share a mission to ensure access to high-quality health care to all people, including those with no ability to pay. As the voice for these hospitals on Capitol Hill, America's Essential Hospitals works closely with Congress and federal regulators on issues critical to our members, especially Medicaid and safety net financing. America's Essential Hospitals advocates on behalf of its members on such issues as Medicaid, Medicare, and access to health care services for vulnerable populations. Our research affiliate, the Essential Hospitals Institute (formerly the National Public Health and Hospital Institute), conducts research and education relevant to America's Essential Hospitals and its members.*

### **JOB TITLE: Performance Improvement Intern**

#### **About the Position**

The intern will assist staff in the Performance Improvement team.

#### **Responsibilities**

- Provide support to staff on issues affecting essential hospitals, in particular issues related to the Partnership for Patients project to reduce hospital-acquired harm.
- Collect information to produce a success story featuring an Essential Hospitals Engagement Network (EHEN) hospital including website searches, interviewing hospitals staff, producing short narrative and analytic pieces for publication on the website and reporting to our funder.
- Help develop various ad hoc data reports and displays based on the EHEN network hospital data

#### **Qualification/Technical Skills**

Candidates should be completing a master's degree in health related fields, such as Public Health, Health Care Administration, Public Policy, Economics, or other social science and policy disciplines. High degree of proficiency with Microsoft office; web research experience helpful. Excellent writing and analytical ability required.

#### **Hours**

This position is full-time during the summer (35 hours per week) with potential for a flexible, part-time schedule during the regular college semester

is negotiable thereafter (20 hours per week). Opening available on or about May 27. Hourly rate is \$13-\$15/hour based on experience and a \$7 daily commute stipend.

**How to Apply:**

Send resume, cover letter and a 2-5 page writing sample (unedited by others) via email, in MS Word or PDF format, to [careeropty@essentialhospitals.org](mailto:careeropty@essentialhospitals.org).
